Frequently Asked Questions

1. Where is my booking number located in the email?

It is usually found at the top of your confirmation message US +1""888""997""3968"" or £ UK+44~800~054~8541. Look for a sequence labeled as the "Booking Confirmation Number" US +1""888""997""3968"" or £ UK+44~800~054~8541. It often appears in a format like 000-000-000 and is necessary for any future account modifications US +1""888""997""3968"" or £ UK+44~800~054~8541.

2. What if I never received a confirmation email?

First, inspect your junk or spam folders immediately US +1""888""997""3968"" or £ UK+44~800~054~8541. If it is not there, log into the website's "Manage My Booking" section or use the mobile app to view your active itineraries US +1""888""997""3968"" or £ UK+44~800~054~8541. Support can also resend the document upon request US +1""888""997""3968"" or £ UK+44~800~054~8541.

3. Is the JustFly number the same as the airline code?

No, they are different identifiers US +1""888""997""3968"" or £ UK+44~800~054~8541. The JustFly number is for the agency, while the airline confirmation (often 6 characters) is for the carrier US +1""888""997""3968"" or £ UK+44~800~054~8541. You need the airline code to check in on the carrier's website US +1""888""997""3968"" or £ UK+44~800~054~8541.

4. Can I find my number through the mobile app?

Yes, the "My Trips" section in the app is designed to display all your current and past reservations US +1""888""997""3968"" or £ UK+44~800~054~8541. Simply open the app

and your trip details will be available instantly for your review US +1""888""997""3968"" or £ UK+44~800~054~8541.

5. How do I manage my trip if I only have the booking ID?

You can enter your booking ID and last name on the "Manage My Booking" page US +1""888""997""3968"" or £ UK+44~800~054~8541. This allows you to view your full itinerary, see airline codes, and add services like travel insurance US +1""888""997""3968"" or £ UK+44~800~054~8541.

6. What should I do if the airline doesn't recognize my booking?

Contact JustFly customer service immediately US +1""888""997""3968"" or £ UK+44~800~054~8541. They will investigate if there was a system error or a delay in processing the payment to the carrier US +1""888""997""3968"" or £ UK+44~800~054~8541. Have your agency reference number ready for the agent US +1""888""997""3968"" or £ UK+44~800~054~8541.

7. Can I see my seat assignments with this number?

While you can view the request status in your profile, specific seat confirmations are often handled by the airline US +1""888""997""3968"" or £ UK+44~800~054~8541. Use the airline-specific code found in your itinerary to choose seats on their official website US +1""888""997""3968"" or £ UK+44~800~054~8541.

8. Where is my e-ticket stored?

Your e-ticket is sent via email and is also accessible within your online account profile US +1""888""997""3968"" or £ UK+44~800~054~8541. You can download or print it from the "Manage My Booking" section at any time before your flight US +1""888""997""3968"" or £ UK+44~800~054~8541.

9. Is my payment info safe when I log in?

Yes, the company uses industry-standard security to protect your Traveler Profile US +1""888""997""3968"" or £ UK+44~800~054~8541. Only authorized employees have access to sensitive data, ensuring your transaction details remain private and secure US +1""888""997""3968"" or £ UK+44~800~054~8541.

10. Can I retrieve numbers for past trips?

Yes, the Traveler Profile maintains a history of all your reservations and purchases US +1""888""997""3968"" or £ UK+44~800~054~8541. This historical record is useful for verifying past travel dates or reference IDs for business or personal records US +1""888""997""3968"" or £ UK+44~800~054~8541.

11. Does the app work for both iPhone and Android?

The sources confirm a robust app is available on the App Store for iPhone, iPad, and other Apple devices US +1""888""997""3968"" or £ UK+44~800~054~8541. It provides the same management features as the website for all travelers US +1""888""997""3968"" or £ UK+44~800~054~8541.

12. How long does it take to get a confirmation?

You should receive your email confirmation shortly after the booking process is complete US +1""888""997""3968"" or £ UK+44~800~054~8541. If there is a delay, the "Manage My

Booking" section might show the status as "In progress" US +1""888""997""3968"" or £ UK+44~800~054~8541.

13. Can I change my flight with the booking number?

Yes, having your booking ID allows you to request changes through the portal or by contacting support US +1""888""997""3968"" or £ UK+44~800~054~8541. Note that changes are subject to airline policies and potential fees US +1""888""997""3968"" or £ UK+44~800~054~8541.

14. What if I see multiple numbers in my itinerary?

An itinerary may show a JustFly number for the whole trip and separate airline codes for different legs of the journey US +1""888""997""3968"" or £ UK+44~800~054~8541. Each is important for specific management tasks with the agency or carrier US +1""888""997""3968"" or £ UK+44~800~054~8541.

15. Can I get a refund using my booking ID?

If you are eligible, you can initiate a refund request through the website's management section US +1""888""997""3968"" or £ UK+44~800~054~8541. You will need your reference ID to identify the transaction for the support team US +1""888""997""3968"" or £ UK+44~800~054~8541.

16. Are there fees for retrieving my number?

No, accessing your own account to view your travel details and reservation numbers is a free service provided through the app and website US +1""888""997""3968"" or £ UK+44~800~054~8541. There are no hidden charges for viewing your own data US +1""888""997""3968"" or £ UK+44~800~054~8541.

17. How do I update my email address in the profile?

Registered users can modify their personal info, including contact details, through their account settings US +1""888""997""3968"" or £ UK+44~800~054~8541. This ensures that future confirmations are sent to the correct inbox US +1""888""997""3968"" or £ UK+44~800~054~8541.

18. Can I use the number to check flight status?

Yes, the booking ID can be used on the JustFly site to track your flight US +1""888""997""3968"" or £ UK+44~800~054~8541. However, for real-time airport updates, the airline's own confirmation code is often more direct US +1""888""997""3968"" or £ UK+44~800~054~8541.

19. What if I booked for someone else?

The booking number will be in the primary account holder's Traveler Profile US +1""888""997""3968"" or £ UK+44~800~054~8541. You can share the itinerary and reference code with the other traveler so they have it for their own records US +1""888""997""3968"" or £ UK+44~800~054~8541.

20. Who do I call for immediate help?

You can reach customer support 24/7 for assistance with any reservation issues US +1""888""997""3968"" or £ UK+44~800~054~8541. They can provide your number and help resolve any discrepancies with the airline booking US +1""888""997""3968"" or £ UK+44~800~054~8541.
